Implementation

Our Service will endeavour to keep the environment free from pests and vermin infestations by:

- Conducting Pest Inspections at least once a year/more frequent if required.
- Should evidence of vermin be notified by pest inspectors further action will be taken.
- Clean regularly as per our Policies regarding Maintenance and Hygiene.
- Maintaining a cleaning schedule and daily indoor and outdoor safety checklists to ensure that all areas are checked for vermin and pests before children/educators/staff have access to them.
- Following our policies regarding Dangerous Chemicals and Substances and Minimising the use of Potentially Dangerous Substances.

The Approved Provider/Nominated Supervisor will ensure that this policy is maintained and implemented at all times.
